Pursuant to A.R.S. § 5-554, the fund receives \$900,000 from the proceeds of lottery games that are sold from a vending machine in age-restricted areas. If the lottery games do not produce sufficient funds for the \$900,000 allocation, then unclaimed lottery prize monies will be used to backfill the difference. Explanation for Negative Ending Balance(s):

Due to the system requirement that the expenditure plan must reconcile to the appropriation, the negative balance results. The AGO does not anticipate this ending balance to be true.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

TITLE: ANTI-RACKETEERING REVOLVING FUND STATUTE CHANGE

PRIORITY: 1

1. BACKGROUND:

In 2019, ARS § 13-2314.01, the statute governing the Anti-Racketeering Revolving Fund (ARRF) administered by the Attorney General, was amended by the addition of new sub-section (G) to prohibit the AGO from using its funds in the ARRF to pay salaries for full-time equivalent positions (FTEs) in the AGO from and after August 27, 2024. To address this restriction, the AGO submitted a funding request last year in efforts to continue to fund existing FTE positions in the AGO that perform critical duties for the office. Although an alternative funding source was not provided, the effective date of the prohibition was extended to August 27, 2025. The AGO is once again challenged to find a sustainable and on-going funding source for these positions. As authorized by A.R.S. § 13-2314.01(F), the AGO has historically used monies in the ARRF to fund investigations and prosecutions of racketeering crimes. The ARRF is a non-appropriated fund. ARRF funds are derived from fines and fees imposed at sentencing on defendants in criminal prosecutions and from judgments entered in civil racketeering cases ordering money judgments and asset forfeitures. The ARRF and racketeering statutes were established for the purpose of disgorging defendants of the illegal profits made from and the assets used to facilitate and commit racketeering, and repurposing those monies to investigations and prosecutions of racketeering crimes, funding gang and substance abuse education and prevention programs, and recovering compensation for individuals, businesses and agencies victimized by and suffering economic loss from racketeering crimes. A.R.S. § 13-2314.01(F).

The AGO is Arizona's primary prosecution agency for Racketeer Influenced Corrupt Organizations (RICO) cases. AGO attorneys assist both internal agents and State, local and federal law enforcement partners to investigate and prosecute Arizona's most complex cases. These investigations and prosecutions are time-intensive and require specialized knowledge. As a result, many complex RICO offenses would not be investigated and prosecuted in Arizona without the Attorney General's Office. For complex and large fraud schemes that consume an agent's time and resources, caseloads are at an all-time high. Complaints received by SIS have been on the rise, over a one-year period these increased by 26.6% going from 6,753 in FY23 to 8,546 in FY24. SIS agents have again seen the average number of cases at an overbearing amount of work per agent with approximately 16.5 cases. During the last year, the AGO has expanded its outreach and engaged in more specialized details, including agents dedicated to elder abuse investigations, Missing and Murdered Indigenous Peoples task force, Homeland Security Investigations, and human trafficking. These efforts have been a benefit to law enforcement resources across the state, adding skilled officers to areas that need more manpower.

In 2015, the AGO had 55 FTEs funded by the ARRF. Since that time, the AGO has diligently reduced FTE positions supported by the fund through internal funding availability and legislative appropriation, reducing the current number of funded positions to 13 FTEs.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

Criminal Division Background:

The Criminal Division serves the citizens of Arizona by investigating and prosecuting crimes that fall within the jurisdiction of the AGO by statute or regulatory mandate. Generally, AGO jurisdiction includes white collar crime, organized crime, public corruption, internet crimes committed against children, and crimes that occur in more than one county. Notably, the AGO is Arizona's primary law enforcement agency tasked with enforcing RICO violations, which include terrorism and the following offenses committed for financial gain: homicide; robbery; kidnapping; drug crimes, forgery; theft; extortion; bribery; gambling; usury; sex trafficking; human trafficking; obstructing justice; false claims or settlements; fraud schemes; securities or land fraud; money laundering; and environmental crimes.

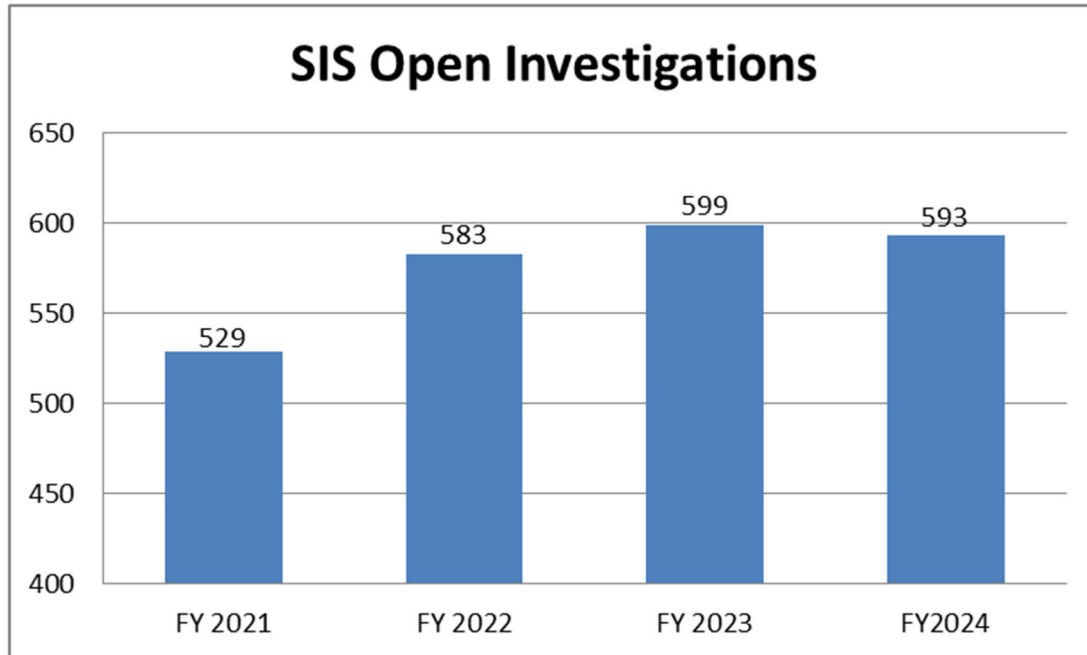

The Criminal Division is comprised of seven sections: Drug & Racketeering Enforcement Section (DRG); Financial Remedies Section (FRS); Fraud & Special Prosecutions Section (FSP); Health Care Fraud & Abuse Section (HCFA); Office of Victim Services (OVS); Southern Arizona White Collar Crime & Enterprise Section (SAWCCE) and Special Investigations Section (SIS). Although each Section is divided by specialty, the Criminal Division works collectively to investigate and prosecute crimes falling under the AGO's jurisdiction. AGO investigators work on cases across all sections within the Criminal Division.

Through the Criminal Division, the AGO is Arizona's primary state prosecution agency that pursues wiretap investigations. Wiretaps are complex, labor intensive investigative tools utilized by law enforcement in conjunction with Criminal Division prosecutors to investigate criminal organizations. Criminal Division prosecutors and staff work tirelessly to maintain cutting edge expertise to support investigations and prosecutions involving wiretaps. Through its partnerships, AGO has been instrumental in removing millions of fentanyl-laced pills and fentanyl powder from the community and in preventing distribution throughout the United States. Criminal Division investigations can take multiple years and involve well-organized criminal enterprises. For example, beginning in March 2023 and continuing until July 2024, investigators with the AGO, DEA, and Tempe Police Department investigated a group of individuals responsible for distributing illegal drugs and illegal drug proceeds in the Phoenix metropolitan area. The AGO charged 17 suspects and seized approximately 201 lbs. of methamphetamine, 39 lbs. of heroin, 28.15 lbs. of cocaine, 27.4 lbs. of fentanyl powder (which had the potential to contain approximately 6.21 million fatal doses), 6,905,500 million fentanyl pills, and \$374,000 in U.S. currency.

SIS provides investigative expertise for crimes within the AGO's jurisdiction. This includes criminal investigations of those offenses that fall within the purview of the office, prosecution assistance, and the identification and removal of assets obtained through illicit criminal activity. Given the scope of the AGO's jurisdiction, SIS is well-versed at investigating crimes across multiple Arizona counties, other states, and foreign countries. Accordingly, SIS often works with local, county, state, and federal level law enforcement partners on joint investigations and task forces.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

Investigations and prosecutions have been on the rise. From FY21 to FY24 open investigations in SIS have increased by 12%. The following table illustrates SIS caseloads over the past four years.

RICO prosecutions have continued to increase. More recently, the AGO has helped uncover a massive fraud with behavioral health and sober living homes funded by AHCCCS. The AGO has received and accepted over 250 referrals alleging credible allegations of Medicaid fraud, totaling potentially more than \$1 billion in AHCCCS funds stolen by businesses pretending to treat Arizona citizens suffering the terrible effects of drug and alcohol abuse.

These cases are still ongoing and are being actively investigated and prosecuted by the AGO. As of June 2024, the Criminal Division has indicted 97 individuals and entities involved in this crime wave, and we have, through the AGO's Financial Remedies Section, seized in excess of \$139 million dollars in fraudulent billing for forfeiture proceedings and recovery for AHCCCS. Many of the credible allegations of fraud, however, require an investigation and possible prosecution. It is essential that the Criminal Division retain the personnel needed to address these large fraud crimes so that those responsible for the criminal conduct will be punished and their seized ill-gotten gains returned to the state.

Several illustrative prosecutions are detailed below.

State v. Lawrence Raymond Pargo: AGO prosecutors recognize the importance of seeking and obtaining restitution for victims of crime as in the complex fraud schemes case against Lawrence Pargo, involving over 600 victims and a total loss of over \$2,000,000. Pargo called individuals to sell them a "work from home type of internet business." convincing them to pay between \$99 and \$499 to set up a website. Pargo also convinced 28 of the victims to buy 'stock' in his business,

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

defrauding them for nearly \$650,000. Pargo was sentenced to jail and ordered to pay \$873,181 in restitution to his victims. While the victims were not made whole for their contributions, each of the 600 victims received a pro-rata share of their contribution.

State v. Donald Huegel: Donald Huegel acted as a ‘Money Mule’ for a criminal organization running an online romance scam. Two Arizona victims thought they met romantic partners online, but they fell prey to non-existent men who cultivated relationship with them, then started soliciting money. They lost over \$449,000 to the scam. Huegel was convicted at trial and was sentenced to four years in prison followed by probation.

State v. Helen Marie Dahlstrom: Helen Dahlstrom worked at two businesses. When the companies were notified by the IRS for non-payment of taxes, they hired an outside accountant and reported the crime to the AGO. SIS Agents discovered that Dahlstrom embezzled over \$5,000,000 through issuing herself extra paychecks, making checks out to cash, and issuing checks disguised as vendor checks to legitimate companies. She was sentenced to five years in prison and ordered to pay restitution of \$5,176,843 to her victims.

SIS investigators are working tirelessly on many active investigations. To name a few are:

Elder Abuse: Adult Protective Services (APS) reported that an elderly victim was being exploited as a vulnerable adult. AGO agents initiated an investigation which revealed that the suspect took over \$165,000 from the victims’ accounts. This case has been indicted and the suspect is currently in active litigation.

Restitution for Crime Victims:

Restitution is an important component of many crimes investigated and prosecuted by the AGO. Crime victims in Arizona have a state constitutional right to receive prompt restitution for their economic losses as a result of the offense committed against them. In FY 2024, defendants were ordered to pay \$628 million dollars in restitution to victims.

The following is an example of a significant restitution case investigated by SIS:

State v. Thomas Amos Feltner: Thomas Feltner promised investment opportunities in heavy equipment and railroad shipping containers. After receiving the investment funds, Feltner stole the money. Feltner was sentenced to six years in prison and ordered to pay restitution of \$1,504,361 to his victims and an ARRF fine in the amount of \$100,000. The investigation further uncovered that he failed to properly report and pay Arizona income tax from 2019 through 2021. Feltner was separately charged with tax fraud and was ordered to pay restitution to the AZ DOR in the amount of \$76,899 and an ARRF fine amount of \$10,000.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

2. DESCRIPTION OF THE PROBLEM:

Effective August 27, 2025, the AGO is statutorily prohibited from using the ARRF to fund salaries. ARS § 13-2314.01(G). As a result, the AGO will need an alternative funding source for the 13 FTE positions with salaries currently paid from the ARRF to continue its operations.

The AGO has a total of 73.75 special agent FTE positions within the office, of these 12 are funded by ARRF. The AGO cannot afford to lose these positions which make up 16% of the investigative workforce. It would be impossible for the Criminal Division to absorb the investigations and prosecutions with remaining staff in a competent and professional manner. These FTE positions are critical to the mission of the AGO. Investigators are highly skilled with experience investigating and prosecuting complex white-collar fraud, drug trafficking criminal enterprises, money laundering, terrorism, and public corruption matters. Both prosecutors and special agents are already performing at capacity.

3. PROPOSED SOLUTION TO THE PROBLEM:

The AGO requests an appropriation of \$1,724,200 from the General Fund and 13.0 FTE position authority on an ongoing basis. This request will not increase the AGO staff, it will simply provide funding for AGO staffing at current levels. This request will support existing employees comprised of 1.0 senior litigation counsel and 12 investigator positions in the Criminal Division.

Alternatively, the AGO requests to modify ARS § 13-2314.01(G) by eliminating the date prohibition. This will allow to continue to fund these critical FTE positions.

POSITION TITLE	FTE	PS	ERE	TOTAL COST
SR LITIGATION COUNSEL	1.0	125,000	55,800	180,800

A General Fund appropriation will allow the Criminal Division to maintain current levels of investigations and prosecutions of drug cartels and complex RICO cases.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

4. ALTERNATIVES CONSIDERED AND REASONS FOR REJECTION:

Do Nothing: This option was rejected due to the seriousness of the consequences if existing programs are not fully funded and additional caseloads are not addressed. RICO funds will be depleted and critical investigative and prosecutorial actions will not take place, allowing criminal activity to continue unchecked.

Maintain a large backlog of cases: This option was rejected as it is in the State's best interest to investigate, charge and convict these criminals rather than allow them to stay on the streets preying on innocent victims.

Fail to investigate and prosecute criminals: This option was rejected as the Attorney General is responsible for investigating and prosecuting a number of criminal offenses, such as major fraud, political and public corruption, medical fraud, human trafficking and drug conspiracies. Crime is rising and the citizens of Arizona must be protected.

5. IMPACT OF NOT FUNDING THIS FISCAL YEAR:

Without either an annual appropriation for these FTE or a change in the Statute, investigations and prosecutions will be jeopardized throughout Arizona. The Criminal Division initiates felony investigations and prosecution cases in nearly *all* Arizona counties. In addition, prosecutors also support county prosecution agencies with their expertise in complex prosecutions. The complex and on-going criminal investigations and prosecutions in the Criminal Division will be impacted by the lack of funding to include:

- International drug trafficking cartels with smuggling and transportation cells in Arizona;
- Significant Arizona-based interstate drug trafficking criminal enterprises;
- Money laundering, including interstate funnel accounts and structured deposits;
- White collar economic fraud;
- Elder financial exploitation and abuse;
- Securities fraud;
- Identity theft;
- Public official and police corruption; and
- County Attorney conflict prosecutions.

If these positions are not funded, recovery of restitution for Arizona victims of complex crimes will be severely impacted. Failure to fund these FTEs will result in many Arizona victims of complex fraud cases having no voice in the justice system.

Failure to fund this request will place additional burden on a prosecution system already straining at an unacceptable level to investigate and prosecute criminal cases.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

Failure to adequately fund this request will send the message to the criminal elements and innocent victims that Arizona will continue to be an open frontier for this type of criminal activity.

Failure to fund this request will allow hardened criminals to continue to prey on their victims, the hardworking citizens of Arizona who deserve better.

6. STATUTORY REFERENCE:

The AGO's jurisdiction over criminal matters primarily arises out of A.R.S. § 21-422, which states as follows:

The state grand jury shall investigate and return indictments for only those offenses or violations of law arising out of or in connection with:

1. The determination or collection of state taxes, the registration or failure to register securities, the offer or sale of securities, the offer or sale of interests in land, the formation or operation of banks, insurance companies, pension funds, labor unions, professional sports enterprises, corporate enterprises, or business enterprises, the making or collecting of loans, events leading to receivership or declaration of bankruptcy by a business enterprise, the sale or purchase of goods or services by or for the state or political subdivisions, bribery, obstruction of justice, hindering prosecution or any form of intentional, knowing or corrupt misconduct involving any person compensated by public funds.
 2. Any fraud, theft or possession, receipt, sale or transportation of stolen property or other contraband, or gambling or prostitution or narcotics, which occurs in more than one county or which occurs in one county and affects the residents of another county or which may be prosecuted by more than one county attorney.
 3. Perjury, false swearing, unsworn falsification, or any violation of title 13, chapter 28 in connection with any state grand jury proceeding, committed by any person testifying before it or in any trial or other proceeding involving any indictment returned by a state grand jury.
 4. Any perjury by subornation or attempted perjury by subornation relating to testimony before it or in any trial or other proceeding involving any indictment returned by a state grand jury.
 5. Any violation of title 13, chapter 23 or section 38-421 or 39-161.
 6. Any violation of title 13, chapter 35.1 if committed using a computer or network as defined in section 13-2301 and if any part of the conduct either:
 - (a) Occurs in more than one county, state or country.
 - (b) Affects the residents of another county, state or country.
 - (c) May be prosecuted by more than one county, state or country.
-

DECISION PACKAGE

7. Any violation of title 13 or 46 if the victim is a vulnerable adult as defined in section 13-3623 or 46-451.
8. Any criminal wrongdoing that is referred in writing by a county attorney and that is accepted in writing by the attorney general.

7. ANNUALIZATION:

This request is not a one-time funding requirement. It will continue on an annual FY basis.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

**TITLE: CRIMINAL DIVISION HEALTH CARE FRAUD & ABUSE SECTION
EXPANSION**

PRIORITY: 2

1. BACKGROUND:

In October 1976, the Arizona Attorney General's Office (AGO) was selected by the Federal Government as the state agency to establish and operate a Medicaid Fraud Control Unit (MFCU) in Arizona. The MFCU is charged with investigating and prosecuting: Medicaid (AHCCCS) fraud; fraud in the administration of the Medicaid program; and abuse, neglect or financial exploitation occurring in Medicaid facilities or committed by Medicaid providers or their employees. The MFCU is funded 75% by the federal government and the state contributes 25% as match. Presently all 50 states have a federally funded MFCU.

Arizona's MFCU operates within the AGO's Criminal Division as the Health Care Fraud and Abuse Section (HCFA). HCFA is comprised of 40 employees, 19 of which are Special Agents, 9 prosecutors, and 12 support staff. Many of the cases HCFA undertakes are complex investigations which may take more than a year to investigate. These cases typically involve dozens of witnesses, opaque financial instruments and tens or even hundreds of thousands of documents. The investigations may also span multiple jurisdictions and will often require assistance from computer forensic experts, forensic accountants, and a legal nurse consultant.

Arizona's MFCU was a major contributor to the annual National Health Care Fraud Enforcement Action as the MFCU brought criminal charges against 30 persons and businesses during the two-week targeted national effort in June 2024.

The AGO first began investigating crimes related to fraudulent sober living homes in 2020 which generated its first property seizures. In 2021, MFCU brought 27 criminal indictments related to this massive white-collar fraud enterprise. To date the MFCU efforts have yielded seizures and forfeitures exceeding \$139 million and 97 criminal indictments. The AGO has received and accepted over 200 referrals alleging credible allegations of Medicaid fraud, totaling potentially more than \$1 billion in AHCCCS funds that have been stolen by businesses pretending to treat Arizona citizens suffering from the terrible effects of drug and alcohol abuse.

The FFY24 MFCU Federal grant totaled \$6.8M, of which \$5.1M was funded by the Federal government and \$1.7M was matched with State funds. The intense focus on the massive Behavioral Health Care crime wave has thus far resulted in \$59.4M being returned to the State's AHCCCS program.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

2. DESCRIPTION OF THE PROBLEM:

The Arizona’s MFCU has been investigating and prosecuting the massive Medicaid fraud schemes taking place within AHCCCS funded Behavioral Health Care facilities. The process of aggressively addressing this white-collar crime wave will continue and it is essential that the MFCU add four additional staff members to continue the successes achieved thus far. As noted below investigations in the MFCU have increased, from FY22 to FY23 these increased by 72.3%. MFCU anticipates investigations to continue to increase requiring additional resources. While 75% of the funding in MFCU derives from Federal sources the grant imposes a 25% match requirement from state funds.

	FY23	FY22	FY21
Investigations	243	141	175
Indicted/charged	69	31	76
Convictions	67	52	39

3. PROPOSED SOLUTION TO THE PROBLEM:

The AGO is requesting an appropriation increase of \$204,100 to the Consumer Protection Consumer Fraud Revolving Fund. This will enable the AGO to provide the 25% match requirement necessary to receive Federal support from the Medicaid Fraud Grant. This results in an overall increase of \$816,100 in much needed resources for the MFCU to effectively pursue and prosecute the increasing number of investigations underway. This is proportionally split between State and Federal funding. The Federal Program has indicated these funds will be available to the AGO upon receipt of the additional appropriation authorization for the FTEs and 25% matching funds. The breakdown of the proposed funding is as follows:

75%	\$612,000	Federal Portion; preliminary approval received
25%	\$204,100	State Match Requirement

This will fund four new FTEs in efforts to increase current investigative capacity and address the dramatic increase in case referrals to HCFA that are having significant citizen impact.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

Position	FTEs	PS	ERE	Operating	Indirect	Total Cost	25% State Match
Special Agent	2	90,000	42,700	21,200	23,400	354,600	88,700
AAG	1	120,000	53,500	1,200	26,500	201,200	50,300
Lgl Secretary	1	60,000	37,700	1,200	15,400	114,300	28,600
Annual Cost	4	270,000	133,900	23,600	65,300	670,100	167,600
One-time Costs						146,000	36,500
TOTAL COSTS						\$ 816,100	\$204,100

The budget request includes funding for one-time costs for law enforcement equipment, agent vehicles, computers, and office furniture.

4. ALTERNATIVES CONSIDERED AND REASONS FOR REJECTION:

Do Nothing - Without additional FTE positions MFCU will have case delays or even worse may be unable to accept new cases. There is no other law enforcement agency that will pursue the declined cases as they are quite labor intensive and require an experienced staff of white-collar crime investigators to bring successful prosecutions. The approved federal funding of \$612,100 can only go to Arizona’s MFCU. The AGO rejects this outcome, as all cases should be investigated in order to protect the public and government funds from these crimes.

5. IMPACT OF NOT FUNDING THIS FISCAL YEAR:

The federal government informed the AGO that they are prepared to fund their share of HCFA’s proposed staff expansion of two agents, one prosecutor, and one support staff. The approved federal funding of \$612,000 is contingent on legislative approval of the state’s 25% match of \$204,100.

The increase of four state staff members will allow Arizona’s MFCU to approach the national average in terms of MFCU staff size. The increase in staff size will result in additional effective investigations and prosecutions of those health care providers that engage in fraud to steal Medicaid funds, corruptly dispense opioids, and engage in conduct that results in vulnerable adults being abused and financially exploited.

Without this funding authorization, the AGO will be unable to accept all cases resulting in criminals not being prosecuted for serious crimes.

6. ANNUALIZATION:

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

This request is a combination of both ongoing annualized costs and one-time equipment costs. The ongoing annual cost that pertains to the State's share is \$167,600 and the one-time equipment cost is \$36,500.

OFFICE OF THE ATTORNEY GENERAL

FY2026

TITLE: INTERNET CRIMES AGAINST CHILDREN TASK FORCE

PRIORITY: 3

1. BACKGROUND:

The Arizona Attorney General (AGO) participates in the Arizona Internet Crimes Against Children Task Force (AZ ICAC) that is led by the Phoenix Police Department's Internet Crimes Against Children Unit (PPD). The AGO plays a critical role in the Task Force by investigating and prosecuting those who intentionally exploit children and respond to cyber enticement and child pornography cases. The ICAC Program was developed in response to the increasing number of children and teenagers using the Internet, the proliferation of child pornography, and heightened online activity by predators seeking unsupervised contact with potential underage victims.

Laws 2015, Chapter 245 established the Internet Crimes Against Children Enforcement Fund pursuant to ARS §41-199 to be administered by the AGO. The fund is subject to annual appropriations. Monies in the ICAC enforcement Fund derive from proceeds of lottery games that are sold from vending machine in age-restricted areas or unclaimed lottery prize monies. These monies are received from the State Lottery and are passed-through to PPD as required by statute to continue operation of the ICAC with PPD.

The attorney general shall use monies in the fund to enter into one or more intergovernmental agreements to continue the operation of the federally recognized internet crimes against children task force program that coordinates a national network of task forces that assist federal, state, local and tribal law enforcement agencies in investigations, forensic examinations and prosecutions related to technology-facilitated sexual exploitation of children and internet crimes against children.

Due to technical issues, the appropriations were not made available for FY15 & FY16 as initially intended. This resulted with the AGO receiving a \$1.8M non-lapsing supplemental to address the technical issue. In FY16, the Department of Child Safety (DCS) was appropriated \$350k from the General Fund for the same program.

In FY17, Legislature transferred the \$350k previously appropriated to DCS from the General Fund to the AGO. Since then the AGO has utilized the General Funds to support 2 FTE positions that are assigned to the ICAC Task Force. In addition, on an annual basis the AGO has received a two-year \$900k appropriation from the ICAC Enforcement Fund that is passed-through to PPD for reimbursement.

In FY20, the AGO entered an intergovernmental agreement with PPD to utilize a portion of the supplemental monies to fund two additional investigator positions. This allowed expansion of the Task Force and established a total of 4 FTE positions within the AGO; 2 funded from the ongoing General Fund appropriation and 2 funded from the one-time supplemental. PPD has also utilized supplemental monies for one-time equipment purchases. Funds are now expected to be depleted

by the end of FY25 which will result in the defunding of 2 FTE positions, an investigator and a prosecutor within the AGO.

The AGO has statewide criminal jurisdiction for investigation and prosecution of sexual exploitation of minors and luring a minor for sexual exploitation. In FY23-FY24, the AGO received 82 cases from law enforcement agencies, charging 58 defendants. Currently there are 19 defendants pending in a stage of prosecution and 26 cases in the investigative stage. Agents also have 96 additional suspects that have not yet been identified. In addition to our close working relationship with AZ ICAC, AGO prosecutors have worked closely with law enforcement agencies including the Tucson Police Department, Maricopa County Sheriff’s Office and the Department of Homeland Security resulting in the arrest and indictment of many internet sexual predators. Plea agreements or jury trials have resulted in convictions and sentences of 10 to 39 years of incarceration. In addition, many defendants receive lifetime probation upon completion of their prison sentence and must register as a sex offender.

Several recent cases prosecuted by the AGO provide an example of the work ICAC does:

Eduardo Melendez: Eduardo Melendez sent inappropriate messages to a 15-year-old student, offering her \$350 for “whatever she liked to do”. He also asked to connect with her friends. A few months later he messaged her again asking if she wanted to make \$1,000. The student reported the incident to the school resource officer. A detective then posed as a 14-year-old student and messaged Melendez, who continued to offer money and lingerie, and expressed his desire to make an “x-rated” film with “strong sexual content” and sent two images of explicit content. He was arrested and convicted in February 2024 by a jury, he was sentenced to 39.5 years in prison.

Isadore Baeza: An Agent created a profile on the social media platform sniffies.com where a message was received from Isadore Baeza. During their conversation the Agent told Baeza he had a seven-year-old son and an 11-year-old daughter and Baeza shared that he only had a dog. Baeza said he didn't have any money but had videos to share, sending the Agent six videos of an infant and toddler engaging in sex acts with adults. Furthermore, Baeza sent the Agent a video of himself performing a sex act on his dog. Police later arrested Baeza. Baeza was sentenced to 11 years in prison and upon his release to lifetime probation.

Lance Palma: The National Center for Missing and Exploited Children (NCMEC) flagged the images Lance Palma uploaded via his Kik account depicting child sexual exploitation and referred the case for prosecution. At the time, Palma was also employed as a La Paz County Sheriff's Deputy. Agents searched his phone, discovering a large quantity of sexually explicit images of minor children which included toddlers. Palma pled guilty and was sentenced to 10 years in prison, followed by lifetime supervised probation.

2. DESCRIPTION OF THE PROBLEM:

Funding for 2 FTE positions assigned to investigate and prosecute cases by the AZ ICAC Task Force is anticipated to be depleted by the end of FY25. This will result in defunding two positions and hamper the ability to keep up with these critical investigations and prosecuting predators that are harming the children of Arizona.

The AGO has seen a rise in cases submitted involving the sexual exploitation of a minor or luring a minor for sexual exploitation. The nature of these crimes and the growth rate in reported cases presents challenges for Arizona's law enforcement due to limited resources within each agency. Agencies in outlying areas often lack forensic capabilities and investigative/prosecutorial resources. Additionally, resources are limited for our law enforcement partners in Southern Arizona who need additional assistance to keep up with the increasing number of child predators and child pornographers from that region of the State.

3. PROPOSED SOLUTION TO THE PROBLEM:

The AGO requests an appropriation of \$335,00 from the General Fund on an ongoing basis to continue to fund existing FTE positions comprised of one agent and one attorney.

POSITION TITLE	FTE	PS	ERE	TOTAL COST
ASST AG	1.0	100,000	38,000	138,000
LEAD SPCL AGENT	1.0	82,400	52,000	134,400
ANNUAL COST	2.0	182,400	90,000	272,400
OTHER OPERATING EXPENDITURES				19,900
INDIRECT COST				42,700
TOTAL COST				\$ 335,000

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY2026

4. ALTERNATIVES CONSIDERED AND REASONS FOR REJECTION:

As one-time funding is currently being depleted, the AGO does not have any other resources available causing the positions to become defunded. This will reduce the resources devoted to the AZ ICAC Task Force and leave predators more opportunity to commit criminal offenses against the most vulnerable population in the State, children.

- **Do nothing:** – rejected as the incidents of internet crimes against children must be prosecuted.
- **Increase prosecutorial caseloads:** - rejected as most attorneys prosecuting these types of cases already have full caseloads.
- **Fail to Investigate:** – rejected because the harm of this type of crime cannot be undone. These crimes require specialized training for investigators, computer forensic analysts and prosecutors.
- **Maintain a large backlog of cases:** – rejected as the viability of prosecution often diminishes with the passage of time. Witnesses disappear, their memories fade, records are destroyed and perpetrators leave the jurisdiction making prosecution much more difficult. In addition, perpetrators who are not brought to justice will continue, and often escalate, their victimization of children.

5. IMPACT OF NOT FUNDING THIS FISCAL YEAR:

Failure to detect, investigate and prosecute criminals exploiting children exposes Arizona's children to harm of sexual violence.

6. ANNUALIZATION:

This request is not a one-time funding requirement. It will continue on an annual FY basis.

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY26

TITLE: LITIGATION COSTS

PRIORITY: 4

1. BACKGROUND:

As the State's Chief Legal Officer, the Arizona Attorney General (AGO) has the responsibility to litigate complex and multi-state cases representing the public interest of Arizona and its residents. The Attorney General's Office brings and defends lawsuits on behalf of the State.

By participating in complex local and multi-state suits, there are substantial litigation costs, including costs for expert witnesses, depositions, transcription services, filing fees, and courier services. In those instances where a case involves various States there is usually a cost share agreement where litigation cost is shared amongst the participating states, with Arizona shouldering a heavier burden due to population growth.

In FY22, the AGO received a one-time lapsing appropriation from the Consumer Protection Consumer Fraud Revolving Fund (CFRF) in the amount of \$1,200,000. The appropriation was to be used for expert witness and litigation expenses. Similarly, in FY23, the AGO received a one-time lapsing appropriation from the Consumer Protection Consumer Fraud Revolving Fund (CFRF) in the amount of \$2,000,000. The appropriation was to be used for the same purposes.

The AGO has not received additional funding for these purposes. An ongoing appropriation is necessary to ensure complex cases are litigated effectively. The success of legal actions often depends on expert witnesses and a willingness to incur litigation costs early in the process. Expert witnesses, in particular, provide technical or scientific testimony critical to many cases.

The AGO must have the ability to fully litigate cases on behalf of the State of Arizona to enforce state laws and bring justice to victims without being severely limited due to a lack of resources, especially when resolving allegations involving major corporations.

To highlight some of the recent complex litigation undertaken by the AGO, below are a couple of cases:

Google – In 2021, a multi-state lawsuit against Google was filed alleging that Google unlawfully monopolized the market Android app distribution and in-app payment processing. Specifically, the States claimed that Google signed anticompetitive contracts to prevent other app stores from being preloaded on Android devices, bought off key app developers who might have launched rival app stores, and created technological barriers to deter consumers from directly downloading apps to their devices. The states announced a settlement in principle in September 2023. Google was ordered to pay \$630 million in restitution, minus costs and fees, to consumers who made purchases on the Google Play Store between August 2016 and September 2023 and were harmed

OFFICE OF THE ATTORNEY GENERAL
DECISION PACKAGE
FY26

by Google’s anticompetitive practices. Google will pay the states an additional \$70 million for their sovereign claims.

Cox – Between January 2014 and March 2021, Cox reserved the ability to regularly raise the bills of price-locked customers through increases in company-imposed fees. The telecommunications company allegedly failed to fully explain these fees, known as the Broadcast Surcharge Fee (“BSF”) and Regional Sports Surcharge (“RSS”), as well as its telephone-related Carrier Cost Recovery Fee (“CCRF”), to Arizonans because Cox falsely implied that the CCRF charge was a tax or government fee by listing the fee alongside government taxes, fees, and surcharges. By disguising price increases as fees, Cox routinely raised the bills of customers who thought they had secured a locked-in price. Cox was ordered to pay \$10 million to the State and \$3,042,494 was distributed by Cox to current and former customers who signed up for television services between January 2017 and March 2021.

Johnson & Johnson – The consent judgment filed in this lawsuit addresses allegations that Johnson & Johnson deceptively promoted and misled consumers in advertisements related to the safety and purity of some of its talc powder products. While this lawsuit targeted the deceptive marketing of these products, numerous other lawsuits filed by private plaintiffs in class actions raised allegations that talc causes serious health issues including mesothelioma and ovarian cancer. As part of the lawsuit, Johnson & Johnson has agreed to stop the manufacture and sale of its baby powder and body powder products that contain talc in the United States. Attorney General Kris Mayes and 42 other state attorneys general reached a \$700 million nationwide settlement to resolve allegations related to the marketing of Johnson & Johnson’s baby powder and body powder products that contained talc. As part of this settlement, Arizona will receive \$15,466,308.

Most recently, Attorney General Kris Mayes and 41 state attorneys general filed lawsuits against Meta in federal and state courts alleging that the company knowingly designed and deployed harmful features on Instagram and its other social media platforms that purposefully addict children and teens. At the same time, Meta falsely assured the public that these features are safe and suitable for young users. The multistate coalition that brought today’s complaint is also investigating TikTok’s conduct on a similar set of concerns. This is in active matter and remains ongoing.

The diligent work of the AGO has resulted in recoveries and restitution providing relief to victims. The tasks of the AGO are fundamental to ensure consumers in the State of AZ are protected and that justice can be served to those affected. The chart below reflects consumer restitution and other forms of consumer relief (“R&R”) obtained in all cases.

2. DESCRIPTION OF THE PROBLEM:

The AGO does not have a designated funding source to adequately litigate and prosecute complex cases.

In FY 2024, the State incurred roughly \$1,000,000 in expert witness and other litigation costs for complex cases. At the start of FY 2025, the State was asked to cover roughly \$450,000 in expert witness and litigation costs as part of a multi-state cost-share agreement; the State ultimately decided not to pursue those claims, with cost being one factor in the decision. Similarly, in another multi-state matter, the State is expected to cover roughly \$200,000 as part of a cost-share agreement to fund expert witness and e-Discovery costs.

Civil rights cases also impose significant expert witness and litigation costs. For example, in connection with a recently filed case involving disability discrimination against a member of the Deaf community, the State anticipates spending upwards of \$150,000 on expert witness fees to cover the costs of evaluation, reporting, deposition, and trial testimony. The Civil Rights Division also anticipates filing two other complex cases in the next year, with expert witness and other litigation fees expected to cost \$400,000 each.

3. PROPOSED SOLUTION TO THE PROBLEM

The AGO requests an appropriation of \$2,000,000 from the Consumer Protection Consumer Fraud Revolving Fund on an ongoing annual basis to adequately fund litigation cost for prosecutions. This would be a continuation from the prior appropriations received in FY22 & FY23.

4. ALTERNATIVES CONSIDERED AND REASONS FOR REJECTION:

Do Nothing: The AGO has the responsibility to bring suit in matters to protect consumers and victims of crimes in the State. Doing nothing is not an option as it goes against one of the critical

functions of this office. Bringing justice to those affected means litigating cases and making offenders accountable for their actions.

Fund from Another Source: The AGO is requesting to utilize funding from the Consumer Fraud Consumer Protection revolving fund. This fund is subject to an appropriation. This request is for additional appropriation authority.

5. IMPACT OF NOT FUNDING THIS FISCAL YEAR:

Without a dedicated source of funding for expert witness and other litigation costs, the State will need to forego meaningful opportunities to enforce Arizona's consumer protection, antitrust, and civil rights laws through litigation.

6. ANNUALIZATION:

This request will continue on an annual basis
